The Formentera Council's Office of Sport has reported that tomorrow, Saturday February 11, the island will host two events: the Balearic Islands' final cross country meet for youth runners and Formentera's first cross country running fixture. Field trials will be held in the recreational area of Can Marroig from 11.00am and local access will be restricted thirty minutes prior.

The directorate general of sports and the Balearic athletics federation headed up organisation of the meet, the final elegible event in the region before the national championship. For its part, Grup Esportiu Espalmador will host a cross country meet for adults and children. Signups will be held from 10.00am in Can Marroig and are at no cost. The Council also took part in organisation for the events.
