CiF president Jaume Ferrer and Jaume Escandell, the president of Formentera's *Cooperativa del Camp*
("Farmers' Co-operative"), put their signatures on a continuation of the joint action partnership between the two entities. As part of the partnership the Farmers' Co-op commits to supporting an ongoing public programme to promote the revival of local agriculture and the revaluation of the island's rural spaces and landscapes in 2019. Under the deal the Formentera Council pledges to provide the Co-op up to €115,000.
