The Formentera Council's mobility department reports that from tomorrow, Friday 1 November, winter hours will take effect across metred parking areas in La Savina, Sant Francesc and Sant Ferran. Meanwhile, in Es Pujols, traffic wardens will cease to enforce the pay-to-park system in *zona blava*
(blue zone) spaces until the start of summer. Elsewhere metred parking will be in force Monday to Saturday, from 9.00am to 2.00pm and 4.00pm to 8.00pm, until 1 May. Parking is free on Sundays and bank holidays.

Cars parked in blue zone spots can remain there up to three days, unlike in summer, when the limit is one day. Green zone (*zona verda*) spots on the other hand are reserved for authorised vehicles, which can be parked for no more than three days, and La Savina residents carrying proof of residence, who can leave vehicles parked for as many as 15 days, just like in summer.
