CiF first councillor Jaume Ferrer sat down with Xicu Ferrer, the chairman of Sociedad Deportiva Formentera, to sign a coordination and management deal for Formentera's centre for non-professional footballers (*Escola de Futbol Base*) in 2019.

As part of the annual agreement, the Council pledges up to €35,000 for the centre's management costs, and SD Formentera promises to oversee operations near the municipal football pitch.
