The Formentera Department of Environment reports that the decision was made to open the municipal household waste and recycling centre, or Deixalleria, Monday to Saturday from 8.00am to 1.30pm. The centre will open by request from today; islanders who wish to obtain an appointment must phone 971 41 02 02. A thirty-minute margin will be maintained between appointments to ensure no overlap occurs between service users.

On a related note, it’s crucial everyone abides by hours for drop-off of rubbish and glass at kerbside bins: 8.00am to 11.00pm for the former and 8.00am to 11.00pm for the latter. Other categories of waste may be dropped off at any time.
