Sacred geometry, starry skies and nocturnal seascapes . . . these are the inhabitants of Eba Marí Guaita's universe, which the Valencia-born and Formentera-based artist channels in an exhibit due to take up residence tomorrow at Centre Antoni Tur 'Gabrielet' and set to stay until Saturday the 15th.

Through paintings in acrylic and resin, the artist reveals an inner world that is both hers alone and communal, and replete with symbolism. After a vernissage at 7.00pm on 6 August, *En paral·lel al cel* will be open to the public Monday to Saturday from 9.00am to 1.30pm and 4.30pm to 6.00pm.
