Artist Simona Colzi returns to Centre Antoni Tur 'Gabrielet' tomorrow with "Essència botànica: de les plantes a la seda" ('Botanical essence: from plants to silk'), a display of the artist's latest creations of textile art. Colzi's Formentera story began at the La Mola market, and earlier this year she participated in the hometown talent-driven runway show, Passarel·la Formentera. Her pieces are handcrafted and dyed with herbs which Colzi herself collects from the Formentera countryside.

The exhibition opens tomorrow at 6.00pm, opening 10.00am to 2.00pm and 7.00pm to 10.00pm until 31 August.
