

The Formentera Department of Entrepreneurship and Local Development reports that phase two of the SOIB Reactiva employment programme has incorporated two new listings for four-month contracts within local government. Applicants must be at least 30 and must not be registered as “long-term unemployed”. A total of four positions will be filled:
- One administrative assistant. Tasks will involve administrative work.
- Three brigade members. Tasks will involve access upgrades in buildings and schools and cordoning off public areas, among others.

Applicants must present their candidacy on the SOIB website via the following links:
