

This Thursday, 26 January, Antoni Ballester, father, educator and secondary school teacher with a PhD from the University of the Balearic Islands (UIB), will lead a talk titled '**The importance of educating: how to motivate**

' as part of the

Talks for Families and Teachers

series organised by the Office of Social Welfare of the Consell de Formentera.

All sessions are held in the municipal auditorium (*sala de plens*) and are open to the general public. Childcare will be provided on site. Individuals who wish to attend can reserve their place by emailing

[educaciosocial@co](mailto:educaciosocial@conselldeformentera.cat)

nselldeformentera.cat

or by calling 971 321 271.
