

The Office of Education of the Consell de Formentera is pleased to report that the Formentera School of Music and Dance (*EMDF*) will celebrate Carnival on Friday 24 February at 7.00pm in the Sala de Cultura (Cinema). EMDF students will give a musical and theatrical performance in which fancy dress costumes play an outside role.

Alejandra Ferrer, vice president and education councillor, encouraged families and islanders at large to enjoy this very special show with a distinctly Carnival-esque theme.

There will be performances by the school's percussion group, as well as the children's band and choir. Meanwhile, piano, guitar, brass wind and traditional music students will also take the stage to perform several songs. Finally, EMDF dancers will perform various choreographies.
