The Formentera Department of Youth is pleased to report that a “Mini Urban Dance Fest” will take place 3 July in the Casal de Joves patio. Crowds will be split into groups and complete health protocol will be in place. Girls in the Casal’s street dance course will offer their families a demonstration of everything they have learned this year.

Then, between 5 and 8 July, a deep-dive in urban and contemporary dance and dancehall workshop will be held at the Antoni Blanc Sports Centre. The workshop is designed for kids 10 and over. Places are limited and must be booked in advance at casal@conselldeformentera.ca
