

Jaume Ferrer, president of the Formentera Council, and Miquel Costa, chief of Espai Frumentària, signed off on a deal to promote cultural initiatives in 2017.

Under the agreement, which is aimed at expanding the island's cultural cache, Espai Frumentària promises to coordinate events like “El 7 a les 6,” film screenings, concerts and exhibitions in addition to the theatre courses it also offers. For its part, the Council has pledged to provide €6,000 in funding for the measures.

Espai Frumentària was formed in 2013 and, according to its founding tenets, is committed to channeling dynamic energy into creation and the performing arts.
