

Formentera Council chair Jaume Ferrer and deputy chair Susana Labrador were joined this morning by José Manuel Alcaraz, Anna Juan and Omar Juan, secretaries of the PP, PSOE and Compromís, respectively, for a visit of the offices that will soon be occupied by the local opposition parties.

The three offices, one per group, are located next to the post office on carrer Pla del Rei in Sant Francesc. The spaces are ready for their occupants, who are set to move in and begin work next week.
