

Consell de Formentera premiere Alejandra Ferrer and interior chief Josep Marí took a group photo this morning at plaça de la Constitució with summer 2021 staff of the Formentera lifeguard service. Ferrer and Marí wished personnel “the best of luck this season” and thanked them in particular for “their dedication to keeping local beaches safe and helping ensure compliance with Covid-19 constraints”.

Lifeguards patrol the beaches of Formentera until 31 October, with total personnel numbering 23 in peak season. The full crew will work till 30 September, leaving just 11 lifeguards for the month of October.

In low season (i.e., May and October) lifeguards surveil ses Illetes, Llevant and Arenals. In June, July, August and September, in addition to these beaches, es Pas des Trucadors, el Tanga, es Pujols, cala Saona and es Caló are monitored as well.

Accessible, cardio care-equipped beaches

Arenals and es Pujols beaches have access points for swimmers with reduced mobility. The service is available when the green flag flies, from 12 noon to 5.00pm, and can be commissioned by phoning 609 768 506. The service is available 1 May to 31 October at Arenals and 1 June to 30 September in es Pujols.

Every lifeguard post is equipped with a defibrillator in the event of cardio-respiratory failure.
