

The Formentera Department of Youth is pleased to report that this Friday 23 July, Youth Night (Nit Jove) of the 2021 Sant Jaume celebrations will feature performances from the Miquel Tur Quartet and Donuts Hole.

Together with the group's namesake (and Formentera-born) frontman, the Catalonia College of Music-trained musicians in Miquel Tur's four-piece band embrace styles spanning folk and pop to deliver a full-throated, roaring repertoire of original songs and contemporary covers.

For their part, Donuts Hole are a five-piece outfit that occupy the terrain between alternative metal and metal-core. Genres aside, the band wrap forcefulness, melody and ambience into a tempest of emotions.

The shows start at 9.30pm in the courtyard of Sa Senieta in Sant Francesc. Seating will be limited and all Covid health and safety measures will be enforced.
