The Formentera Office of Culture is pleased to announce that from 28 June to 9 July, the "Ajuntament Vell" will host the exhibition *Diàleg entre el vent i la mar* by Formentera resident Juan González.

The exhibition, the third collection of photographs displayed at the municipal gallery in 2022, evokes the sea through images. The Valencia-born photographer presents bits of the landscapes that surround us in large-format snapshots alongside portraits that act as sculptures. *Diàleg* shares an attentive look at the relationship between individual and environment.

The title of the exhibition is a nod to the last movement of *La mer* by French composer Claude Debussy. Similarly, González highlights "the result of the confrontation between antagonistic forces: the battle between the wind and the sea".

The exhibition will open Monday 27 June at 8.00pm and can be visited at Sala d'Exposicions "Ajuntament Vell" Monday to Saturday from 11.00am to 2.00pm and 7.00pm to 9.00pm.

The gallery is closed on Sundays, holidays and Monday mornings.
