

Julie Aubrun returns to the Centre Antoni Tur 'Gabrielet' with an exhibition where the author/illustrator shares her imaginary universe of watercolours inspired by nature and the native flora and fauna of Formentera and Mallorca. Born in Nancy, Aubrun studied Art and Visual Communication in Paris. She has called Formentera home since 2012, regularly exposing her island-inspired creations.

"Exposició de Julie" opens Tuesday 11 October at 7.00pm and will stay on view until 18 October. Hours are 11.00am to 1.00pm and 6.00pm to 9.00pm, Monday to Sunday.
