

The Office of Culture and Festivities of the Consell de Formentera reports that yesterday evening Father Christmas paid a visit to the children of Formentera. After *La Màgia del Nadal* (The Magic of Christmas) courtesy of the magician Albert, little ones plied Saint Nick with hugs and wish lists in a very exciting evening in Sa Senieta festival tent in Sant Francesc. For added sweetness, students in vocational cooking, gastronomy and hospitality programmes at IES Marc Ferrer served hot chocolate and *coca dolça*.
