

Yesterday, local artist Álvaro Mendoza pulled back the curtain on his latest exhibition, *Revelaciones* . The sampling of work includes 13 paintings completed over the last year, paintings which Mendoza quips are “somewhere between expressionist and abstract”. The exhibit, which is on display at the municipal gallery of the old town hall (Ajuntament Vell), can be visited Monday through Saturday, 11.00am to 2.00pm and 6.00 to 9.00pm.
