

The Formentera Department of Culture has announced the most recent item on the Sant Jaume/Diada de Formentera events calendar: the opening of *Els pelegrins*. Scheduled for today at 8.00pm in the Ajuntament Vell exhibition gallery, the show is built around locally-crafted work from the acclaimed Belgian artist —and La Mola resident— Michel Mouffe. The show's curator, Manolo de Oya of Espai F_, calls it a compendium of the constants that populate Mouffe's creative universe. The effect is art that draws the beholder in — not only to art history, but also philosophy.

The show will be open Monday to Saturday from 11.00am to 2.00pm and 8.00pm to 10.00pm until July 29. A portion of the exhibit is on view at Sa Tanca Vella chapel during the same hours. Both displays are presented by the Consell de Formentera.
