

Chief of the Formentera government Alejandra Ferrer was joined by Espai Frumentària president Miquel Costa in signing into a effect a collaborative agreement to promote and expand the reach of cultural programming in 2020. Councillor of culture Susana Labrador was also on hand for the signing.

The deal is aimed at cultivating the local offering of cultural events in 2020. Under the agreement Espai Frumentària promises to organise cultural and artistic programming such as “El 7 a les 6”, screenings of arthouse cinema, concerts, exhibits and a theatre workshop on design and production. The Formentera government will offer up to €7,000 to support the group’s programming.
