

As SD Formentera gear up to face off against Deportivo Alavés at the island's local pitch, the Office of Mobility of the Formentera Council have put together plans to reroute traffic from an adjacent road, Camí Vell de la Mola. The match, part of the round of sixteen in the Copa del Rey, or King's Cup, will begin at 7.00pm on Wednesday, January 3.

The logic of the plan is to assure orderly, fluid entry to and exit from the Camp Municipal d'Esports before and after the match. The following conditions must be respected by any attending persons:

3.00pm to 10.00pm: Controlled circulation along Camí Vell de la Mola, one-way towards Es Ca Marí from Sant Francesc.
3.00pm to 4.00pm: Vehicle traffic without restrictions.
4.00pm to 10.00pm: Vehicle traffic prohibited except for authorised officials and area residents.
5.30pm: Pitch gates open.

As spectators are asked to arrive at the match on foot, a **meet-up is scheduled for 5.00pm in the Sant Francesc town square**

From there, all are encouraged to come out to show support for SD Formentera during this historic fixture.

A free pick-up and drop-off shuttle service will be available **from 5.00pm to 7.00pm for individuals with special mobility needs**

. The coach will make

four stops in Sant Francesc

: sa Senieta, Antoni Blanc fitness centre, Fossar Vell parking lot and the roundabout.

Riders must wait at these locations to be picked up

. Service will continue after the match.

FANS FROM EIVISSA

Additional coaches serving the regular La Savina port-Sant Francesc bus route will accommodate football fans traveling from Eivissa for the event. From 9.30am to 7.00pm, every boat that arrives at the port will be met with a bus to take passengers from La Savina to the Sant Francesc roundabout. Access to the Camp Municipal both before and after the game will be limited to pedestrians. Following the match, buses bound for La Savina will depart from the

roundabout. Riders will be charged €3 for a single ticket; return tickets are €5.
