

The Office of Mobility of the Consell de Formentera reports that Wednesday 3 May, the summer schedule begins at metred parking areas in La Savina, Sant Francesc, Sant Ferran and Es Pujols. Metred hours will be from Monday to Sunday from 9.00am to 9.00pm.

Blue zone parking passes will be valid for all blue zones on the island. Motorists who are not eligible for discounts will have to pay €1.20 an hour, while residents with valid subsidies will be able to obtain their tickets free of charge.

In summer, parking passes entitle holders to park in the blue zone for a maximum of one day, instead of three days as in winter. As for the green zone, authorised vehicles of Formentera residents can be parked for up to one day in summer, except for accredited residents of La Savina, who can park their vehicles for up to fifteen days, as in winter.
