

The Formentera Council's office of environment wishes to congratulate Miguel Ángel Villagrasa and Ulises Petinto for their leadership producing *Ibiza y Formentera 100% renovables* (Ibiza and Formentera 100% renewable). The documentary is set to be premiered this evening at half past eight in the cultural centre of the Eivissa town of Jesús.

Formentera's environmental councillor Daisee Aguilera announced the administration's plan to contribute 800 euros to the project, and said she hoped to see the film projected soon in Formentera's own cinema.
