

The Formentera Office of Tourism is pleased to report that the second Formentera Astronòmica will take place between 6 and 8 May. Among the activities on the programme, which can be found on <https://www.formenteraastronomica.com>, there is a free activity for children and young people.

Friday, Saturday and Sunday from 10.00am to 2.00pm, and Friday and Saturday from 5.30pm to 9.30pm, 20 sessions will be held at the planetarium. During 40-minute session, an astrophysicist specialised in the didactics of astromomy will explain to interested children our cosmos. Reservations are not required, but space at activities is limited.

The planetarium will be set up in Plaça de la Constitució. On Friday morning, school children will visit. Children's workshops will also be held in the morning. The event will additionally feature the return of a drawing contest for children 14 and under called "The Star Tourist". Contest submissions will be accepted until 6 May at concurso@formenteraastronomica.com.
