

The Formentera Council reports that at 2.00pm today islanders gathered at Sant Francesc's plaça de la Constitució to declare their intent to continue the fight on *violència masclista*, or male perpetrated violence. Deputy chair Susana Labrador, social welfare councillor Vanessa Parellada as well other senior councillors and staff of the administration added their voices to the “

*Ni*

*una passa enrere*

” (Not one step backwards) rallying cry. Espai Dones Formentera issued the call to congregate under the slogan

*No retreat from machismo! Ni una passa enrere!*

in solidarity with the association's comrades in Andalucía.
