The Language Advisory Service of the Consell de Formentera is pleased to report that enrolment in the latest round of Catalan courses is open from 20 February to 2 March. In this second module of the 2022-2023 term, nine courses offered at the A2, B1, B2, C1 and C2 levels will help students prepare for the next official test in May 2023.

As last year, classes will last 90 minutes and be held in the Catalan classrooms of the Espai Cultural de Sant Ferran. Groups will meet twice per week, with options available in the morning and evening. "The SAL's goal is for these courses reach as many people as possible, so we tailor the offer of levels and schedules to the wide demand", explains Raquel Guasch, language policy councillor.

Space is limited and students may only enrol in one group at a time. Once registration has been completed and before the start of classes on 6/7 March, students will receive an e-mail confirming enrolment in their requested group. The courses are free of charge.
