

The Formentera Office of Youth is pleased to announce the activities scheduled at the Casal de Joves for this March. In the first week of March comes the two-day International Women's Day workshop on Friday 4 March and Saturday 5 March. In an interactive game involving paints, cardboard and photos, young people will reflect on the situation of women today and throughout history. On Tuesday 8 March, a special activity will be held at the Casal de Joves to commemorate International Women's Day.

Vanessa Parellada, Councillor of Youth, highlighted the Casal's work awareness-building efforts to make sure that youth enjoy these celebrations and develop critical thinking. The International Women's Day programme also includes films and documentaries like *The Messenger: The Story of Joan of Arc* and *Las que faltaban*. "These screenings underline the role of women and the importance of equal rights", said Parellada.

Other activities:

Saturday 12 March. After the success of last month's *camera obscura*, organisers propose a new classic: *Un, dos, tres, pica pared*.

Wednesday 16 March. Acrobatics workshop. Remember to wear comfortable clothes.

Friday 18 March. Decorating T-shirts with vinyl and textile paint. Participants must bring a T-shirt; everything else to be provided by the Casal.

Saturday 19 March. Jump rope activity.

Wednesday 23 March. The return of karaoke. Pick your favourite songs and leave

embarrassment at the door.

Friday 25 March. Cooking workshop: healthy snacks. Preparing creative snack recipes.

Saturday 26 March. Bike ride and barbecue in Can Marroig to ring in the spring.

All activities will be carried out in compliance with health and safety measures.

The Casal de Joves is a space dedicated to the children and youth of Formentera. Every month, leisure activities are proposed for children and young people between the ages of 10 and 26. The Casal opens Tuesday to Saturday from 4.00pm to 10.00pm.
