

The Formentera Office of Youth is pleased to announce the activities organised at the Casal de Joves this September. The programme starts this Friday with Party&Co, an entertaining team game of questions and answers, and continues Saturday with the fun game Pie Face Sky High.

Vanessa Parellada, councillor of youth, explained that after months of programming tuned to beating the summer heat, "this September will come with games for everyone, from the more traditional, like jump rope, and classics like karaoke, to very entertaining workshops on cooking and chess scheduled 16 and 17 September".

On 24 September, participants in an excursion to Eivissa will have a blast on Acrobosc's zip line circuit.

On Wednesdays (7, 21 and 28 September), films on topics of interest to young people will be screened. The programme closes on 30 September with a table football tournament.
