The Office of Youth Affairs of the Consell de Formentera is pleased to report that 12 to 15 April, Marc Ferrer secondary school will host a circuit of bouncy castles. According to Vanessa Parellada, youth affairs councillor, "last year's launch was well received, and this year we have programmed it again to offer Formentera children a leisure activity during the Easter holidays".

The bouncy castles are designed for ages three to twelve and admission is free. Staff will be on hand to regulate entry to the castles by age and turns. There will be four bouncy castles of assorted sizes, each one appropriate for a different age group.

Characteristics
For younger children there will be the "Mario Bross" castle, designed for the little ones; an obstacle course for a great adventure, and Texas, a "Mickey Mousse"-themed toy with central jumping track and two slides. For older children, there will be a 7x6 metre castle with two higher slides and a jumping area.
