

Today Ana Juan, the President and Councillor of Entrepreneurship of the Consell de Formentera, welcomed three more new hires from the first round of recruitment under SOIB Reactiva. The individuals will work for the island's government for the next six months. Two women will work as administrative assistants and one man will work as a brigade operator.

Plans are also in place for a second round of recruitment, which will include selection of three additional recruits. 2021 SOIB Reactiva has been promoted by the Occupational Service of the Balearic Islands (*Servei d'Ocupació de les Illes Balears, SOIB*) and co-financed by the European Social Fund as part of the 2014-2020 Youth Employment and Regional Operational Programmes and State funds through the Sectorial Conference of Employment and Labour Affairs.
