

The Formentera Office of Entrepreneurship has announced that ten islanders can take part in a training programme in socio-health care with a commitment to hire. Islanders who complete the course can obtain the SSCS0208 level 2 Certificate of Professionalism. The course will be held from March to June.

Interested parties have until 28 February to register on the SOIB website.

This training is subsidised by the training and employment division of the Balearic Employment Office (Servei d'Ocupació de les Illes Balears, SOIB) and is part of the 'Certificate of Professionalism' programme.
