

The Consell de Formentera reports that applications will be accepted for ten lifeguard positions on the Consell de Formentera Lifeguard Service on the island's main beaches.

Contracts will last four months (June, July, August and September) and work will include standard lifeguard tasks as well as surveillance and assistance to Formentera beachgoers. Applicants must have the Certificate of Professionalism in Lifeguarding in Natural Aquatic Spaces or Lifeguarding Accreditation (minimum 80 hours).

Complete information on the job offer is available on [the Consell de Formentera website](#) .

The Consell de Formentera covers the local lifeguard service with its own resources and staff. The service starts 1 May and ends 31 October. The team has 26 lifeguards in the high season and 12 at the end of summer.
