

Consell de Formentera president Alejandra Ferrer and head of Espai Dones Maria Dolores Fernández Tamargo signed a deal today that will unlock a €3,500 subsidy to promote equality and prevent gender violence in 2021. Equality chief Vanessa Parellada was also on hand at the signing.

Under the arrangement, Espai Dones pledges to carry out activities to promote and energise women's equality and prevent gender violence. In particular, they will educate around equality and social awareness of women's rights. In 2021 the subsidy increased €500 from €3,000 the previous year.
