

The Formentera Office of Education and Culture is pleased to report that yesterday at 5.00pm, the Sala de Cultura-Cinema hosted the Carnaval celebrations of the Formentera School of Music and Dance.

Forty-one students participated, and health and safety guidelines were observed at all times. Musicians and dancers offered the public a varied sample of what they have been up to in class: percussion, flute, brass instruments, clarinet, piano, clarinet and guitar, performing everything from Ritchie Valens's well-known "La Bamba" to Giuseppe Verdi's "La donna è mobile". Dance students showed their choreographic skills with demonstration that included a classical dance adaptation of "The Pink Panther" and *sevillanas*.
