Yesterday, Sunday 15 May, the Formentera Municipal Band gave a concert with Murera Artistic Union at the Escola Graduada de Muro (Mallorca).

A total of 50 musicians from both ensembles participated in this exchange. The Formentera Municipal Band offered a varied programme, from Frank Cogollos' Formentera-inspired opener "Es Cap de Barbaria" to "Hallelujah" by Leonard Cohen. To conclude the event, the two bands performed "Amparito Roca", a pasodoble, together.

This was the band's first concert outside the Pine Islands.
