

The Formentera Office of Culture is pleased to report that from 14 to 25 June, "Ajuntament Vell" Exhibition Space will host "Instantáneas" by Álvaro Mendoza.

In his latest exhibition of nine oil paintings on canvas, the artist depicts seascapes, rural landscapes and objects with which he hopes to stop time. According to Mendoza, the exhibition "offers visitors to immerse themselves in existentialism by reflecting on the instantaneous and eternity, something we connect with as when we contemplate the works".

The artist holds a degree in architecture and was born in Colombia but has lived on Formentera since 2010. He says the island gives him "a space to coincide with time, to dialogue with the landscape, with architecture, with emptiness and absence".

The exhibition opens on Monday 13 June at 8.00pm and can be visited at the "Ajuntament Vell" Exhibition Space Monday to Saturday, 11.00am to 2.00pm and 7.00pm to 9.00pm.

The gallery is closed on Sundays, holidays and Monday mornings.
