The Formentera Office of Culture is pleased to report that from 2 to 13 August, Sala d'Exposicions "Ajuntament Vell" will host an exhibition titled "Frank Delange".

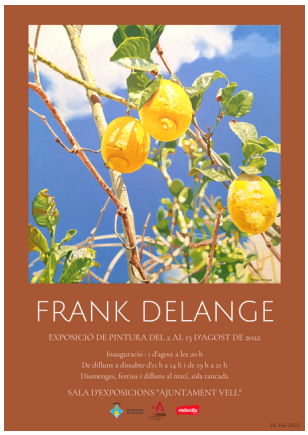

The artist's eponymous exhibition comprises roughly 20 pieces – some oil on linen, others pastels on paper. The display offers a journey through Delange's pictorial career and includes scenes of water, flowers, fruits and Mediterranean vegetation. Some works, such as one featuring rocks at Sa Pedrera, showcase local scenery.

In roughly 1965, Delange, who began yearly visits to Formentera as a child, found in the island a space to create and carry out the study of light that so typifies his work, a universe of colour and luminosity underpinned by rigorous technique.

"Frank Delange" opens 1 August at 8.00pm at Sala d'Exposicions "Ajuntament Vell" and will be on view Monday to Saturday from 11.00am to 2.00pm and 7.00pm to 9.00pm.

The gallery is closed Sundays, holidays and Monday mornings.
